

Embossing Press 80 t

The Classic

The 80t embossing press is the classic model of the embossing presses. With an embossing surface of 600 x 300 mm, it offers a little more leeway.

All embossing presses manufactured by us are CE-certified. They have a maintenance-free hydraulic power unit which is connected as a separate unit and works with a dual stage pump that runs extremely smoothly.

Specifications	Embossing Press 80t
Art. No.:	086-0001
Weight embossing press:	610 kg
Weight hydraulics:	40 kg
Dimensions (W x H x D):	890 x 1,230 x 580 mm
Embossing surface:	600 x 300 mm
Connection:	400 V, 50 Hz, triple-phase
Output:	2.2 kW
Hydraulic oil:	17 l (viscosity: 10)
Piston:	1 piston 160 mm
Max. operating pressure:	400 bar/80.40 t
