

Ink Machine

Low Consumption of Energy and Material

The ink machine is our affordable alternative to the hot-stamping machine. With a working width of 300 mm, it only weighs a mere 42 kg. In particular, the ink machine impresses with its low consumption of energy and material as well as a production speed of up to 400 license plates (520 mm in length) per hour.

Specifications

Ink Machine FW 350
